#### REMARKS

Reconsideration regarding the receipt of applicants' patent application filed under the serial number and filing date as captioned above is requested. Items 3 to 14 reflect copies of what applicants filed on June 27, 2003. The remaining items are self-explanatory.

Applicants received its reply postcard ("RECEIVED IN THE UNITED STATES PATENT AND TRADEMARK OFFICE") on August 8, 2003 (copy enclosed; Exhibit A). On the postcard it is stamped by the PTO (originally in red) that "The PTO did not receive the following listed item(s) specification 18 pages".

Applicants believe that the specification was sent together with Items 3 to 13 listed above as there is no indication on the reply postcard (Exhibit A) that other documents were not received by the USPTO.

**Express Mail No. EV068893195 US**

Serial No. 10/608,392  
Filed June 27, 2003

A copy of the specification that applicants believed they filed on June 27, 2003 is enclosed as Item 14 above.

Additionally, applicants enclose a copy of a two month extension of time and a Notice of Appeal, both of which were filed in the parent case to this application, Serial No. 09/763,927, filed February 26, 2001 (see Items 18 and 19 above).

Applicants do not believe that another filing fee is due since applicants' Deposit Account, 03-2060 has been charged for the filing fee on July 2, 2003 (copy enclosed; information for other cases has been redacted; Exhibit B). If applicants are not correct, the United States Patent and Trademark Office is authorized to charge the basic filing fee under 37 C.F.R. § 1.16(a) of \$750.00 as well as the other necessary filing fees under 37 C.F.R. §§ 1.16 and 1.17 to Deposit Account No. 03-2060.

Applicants believe they are entitled to the serial number and filing date for the present application (applicants' Docket No. 1998JP313/CIP) as captioned above and on the postcard (Serial No. 10/608,392, filed June 27, 2003). The PTO may consider this a petition for a filing date, if necessary, and charge the appropriate petition fee under 37 C.F.R. § 1.17(h).

Applicants' representative spoke with the Office of Initial Patent Examination on September 3, 2003 and was informed that a notice would be sent out, but no timing as to the notice was mentioned. This LETTER and the accompanying documents are being sent in anticipation of such notice.

A duplicate of this paper is enclosed for Deposit Account charging.

Respectfully submitted,
